THE PRECIPICE OF GREATNESS

With inspiration drawn from the character of surrounding Westlands, Escada fuses meticulous restoration and innovative architecture. Located in a reclusive off Lantana road minutes from the city's social and entertainment hub and featuring a ritzy display of studio and two bedroom apartments, Escada is perfectly poised to give its residents the best elements of apartment living with the excitement and colour of urban life.

LUXURY ALL AROUND

For lovers of fine design, the conceived interiors respect their surroundings, using a palette of beautiful materials to create harmonious, inviting spaces with a bold modern edge.

URBAN SANCTUARY

In a dynamic duo of function and flair, the bedrooms' timber look floors bring a warmth and texture to the interiors while the bathrooms exude understated luxury, with finely crafted joinery for a sleek, thoroughly contemporary impact.

THE HEART OF ART

Windows harnessing natural light bring the outdoors in, framing sublime city and suburb views while beautiful natural colors form a harmonious whole. Elegant pale limestones, oak timbers and soft grey hues are complemented by shots of bronze to create floating layers of luxury throughout the spaces.

ARCHITECTURAL DESIGN INTENT

Escadas arresting floor plans embed a contemporary open plan fitted kitchen and dining area while the lounge appreciates large windows bringing in natural light and the sweeping city views. The immense attention to detail on Escada's apartment designs provide a functional flow while ensuring utmost privacy.

THE INTERSECTION OF LIFE & LEISURE

Food, family and friends will be the focus, with a series of rooftop terraces that will provide diverse spaces for relaxation and entertainment while the raised, landscaped decks will boast a collection of modern outdoor furniture creating a resort-like mood.
